

Workshop of the research training group of the  
SFB 658  
**Molecular Switches on surfaces**  
11-12 August 2011  
Schloß Lübbenau

*Invited Speaker*

*Prof. Dr. Van der Molen*  
(University of Leiden)

*Molecular Transport*  
*Processes*

*Dr. Yongfeng Wang*  
(University of Kiel)

*Switching of Molecular*  
*Magnetization*

*Dr. Jung*  
(University of Kiel)

*Unidirectional Switching of*  
*Molecules on Surfaces*

*Dr. Ferriani*  
(University of Kiel)

*Magnetic Atoms on Surfaces*
