

Berlin – Uppsala Summer School

Diversity in the Cultures of Physics

Tentative Course Plan for Berlin

Sunday July 31	Monday August 1	Tuesday August 2	Wednesday August 3	Thursday August 4	Friday August 5
	9:00 Welcome & Introduction <i>Arnimallee 14</i> <i>14195 Berlin</i> <i>Room 1.1.16</i>	10:00 Gender Equality Officer of Freie Universität Berlin <i>Goßlerstr. 2-4</i> <i>14195 Berlin</i>	Participating in working groups	Participating in working groups	Participating in Working groups
	11:00 Physics Department Tour				
	13:00 Lunch at Eßkultur	12:30 Lunch at Equality Officers			
16:00 Get together Reception at SCUBE park <i>Columbia Damm 160</i> <i>10965 Berlin</i>	14:00 Physics Department Tour	14:00 Women's History Tour in Dahlem			15:00 Heinrich Böll Foundation <i>Schumannstr. 8</i> <i>10117 Berlin</i>
	19:00 – 21:00 Cryptoparty <i>Rheinsberger Straße 76</i>	Programme arranged by the German participants			18:00 Garden Party

Monday August 8	Tuesday August 9	Wednesday August 10	Thursday August 11	Friday August 12
Reflection on Gender & Science Breaking Stereotypes Literature: <i>Steinke et al. 2007</i> <i>(Long et al. 2010, Ong 2005)</i>	Reflection on Gender & Science Bias, Recognition & Networks Literature: <i>Wennerås/Wold 1997</i>	Reflection on Gender & Science Career Patterns Literature: <i>Traweek 1988</i> <i>(Keller 1997)</i>	Reflection on Gender & Science Work Place Cultures Literature: <i>Hasse/Trentemøller 2011</i>	Reflection on Gender & Science Thinking into the Future Literature: <i>Morley 2013</i>
14:30 Fritz Haber Institute;	14:30 Research Group Prof. Kanngießler (Technical University Berlin)	14:30 Federal Institute for Materials Research and Testing	15:00 Helmholtz Centre for Materials and Energy or Leibniz-Institute for Astro Physics Potsdam	14:00 Magnus Haus German Physical Society Women Networks in Physics “Working in Industry” by Ruzin Aganoglu
Programme arranged by the German participants				Good bye Berlin Dinner

Berlin – Uppsala Summer School, Diversity in the Cultures of Physics
Schedule in Uppsala

Monday August 15	Tuesday August 16	Wednesday August 17	Thursday August 18	Friday August 19
<p>9:15 [13167] Welcome & Introduction</p> <p>10:30 Physics Department Tour</p>	<p>9:15 [13167] <i>Transnational Living & Working</i></p>	<p>9:00 <i>“Maskrosfysiker”: Gender perspectives on the situation in physics</i></p>	<p>9:15 [13167] <i>Master Suppression Techniques</i></p>	Participating in research groups
	<p>11:30 [Outside Ångström main entrance] Departure to Norreda</p>			
<p>12:00 Lunch</p>	<p>14:00 <i>Humour in physics</i></p>	<p>12:00 Departure back to Uppsala</p>	<p>12:00 Lunch</p>	
		<p>12:30 Lunch</p>	<p>13:15 [13167] <i>PhD in industry</i></p>	
<p>14:00 Physics Department Tour</p>		<p>14:15 [80109] <i>Critical perspectives on physics culture and epistemology</i></p> <p>Reading material! (Slack) and Privilege walk</p>	<p>15:00 Fika with PhD students</p>	
<p>18:00 Welcome reception</p>		Program arranged by Swedish participants		

Monday August 22	Tuesday August 23	Wednesday August 24	Thursday August 25	Friday August 26
Participating in research groups	Joint departure to Stockholm 10.00 Visit to Stockholm University	9:15 [13167] <i>Presentation techniques</i>	9:15 [13167] Presentations of the research group visits	9:15 [6K1113] Reflections
		12:00 Lunch	12:00 Lunch	12:00 Lunch
		13:00 [13167] Prepare for presentations	13:15 [13167] <i>FESTA (Female Empowerment in Science and Technology Academia)</i>	13:15 [6K1113] Evaluations
Program arranged by Swedish participants				18:00 Good-bye dinner
